Discerning Our Way Forward.

Last month, we considered our daily lives, where we live and where we spend our time, and people we relate with. Our discussion began to focus around two mission opportunities that God seems to have dropped into our laps, Families Moving Forward, and neighborhood families whose children play in our playground. Last Sunday afternoon, a neighborhood Hispanic house church inquired about using our building for worship. We will meditate on scripture, silently listen for a word from the Holy Spirit, and share what we glean.

The Mission of Durham Mennonite Church

To restore people to relationships of communion with God and each other in Christ. We will practice this mission through our worship, witness, discipling, fellowship and service.
